Dear Lee & Friends,

**YOU** make all the difference in helping our neighbors thrive!

Thank you for your generous donation to Greater Pittsburgh Community Food Bank through Amen to Action 2021. We are truly grateful for each meal of the **1,004,772 meals donated**. Your donation allows us to provide necessary food to our friends and neighbors in our region who need it most.

With your partnership, we are working to tackle the complex issue of hunger in southwestern Pennsylvania. Every day, Greater Pittsburgh Community Food Bank is feeding people in need throughout our region. Your generosity helps those we serve to get through hard times, and on to better ones.

Many neighbors are still struggling to recover from the impact of COVID-19. Job loss, reduced income and emergency expenses have made the last couple of years difficult for everyone. Many neighbors will continue to struggle for months, maybe even years to come. That is why your gift is so meaningful, especially today. Because of you, we will continue to provide vital services throughout our communities -- working to ensure children don't go to bed hungry, seniors don't have to choose between food and medicine, and that all of our neighbors have the nutrition they need.

Sincerely,

Lisa A. Scales
