Dear Lee & Friends,

Thank you for supporting Greater Pittsburgh Community Food Bank through Amen to Action 2022! We are so grateful for each meal of the 1,001,102 meals that were packed by community members and volunteers throughout the fall and holiday season.

With your partnership, we are working to ensure that our neighbors in southwestern Pennsylvania have the food they need to thrive.

Each day, our neighbors face daily obstacles like increased costs due to inflation, job loss, reduced income and emergency medical expenses. That is why your efforts and generosity are so meaningful. Because of you, we will continue to provide vital services throughout our communities – working to ensure children don't go to bed hungry, seniors don't have to choose between food and medicine, and that all of our neighbors have the nutrition they need.

We are truly grateful for your willingness to take action and make a difference in our community!

Sincerely,

Lisa A. Scales
